Scrip Program - Did you know that Scrip brought in over \$93,000 last school year to help not only ALA students but also students in our WELS elementary schools across Arizona? And did you know that just a small percentage of people in each congregation generated that \$93,000? Can you imagine what would happen if even more of our people in our churches purchase Scrip?

Why don't you jump in and help generate these dollars with us? You purchase a store gift card at face value and you receive 100% of those dollars to spend at the store. The Scrip program purchases these gift cards at a discount, and this discount become the money that we can use to share the Gospel with students in our schools! Please see Pat Weber to purchase Scrip.
