## SCHOOL SUPPLIES

**Mission to the Children is again collecting school supplies for close to 1,000 children aged 3 to 15. We are asking for the school supplies by July 22<sup>nd</sup>**

to allow time to take them to the villages by the end of July and to the families before school starts. Items are similar to what you would buy for your own children. The only requirement we ask is that spiral notebooks all be college lined as they want those in Mexico and not the wide lined pages (even for the little children). **There is a box in the church entryway for donations.** Thank you for participating in this event that the teachers, students and parents eagerly wait for every year!!!!

## ***WELS Resources...***

### **Prayer for District Conventions**

Lord Jesus, you have redeemed your people by your life, death, and resurrection and have gathered them around your Word and sacraments into congregations and districts of our synod. We ask you to bless the representatives of those congregations as they meet this month at the various district conventions across our synod. Strengthen their faith through your Word, and may your Holy Spirit fill them with wisdom as they make decisions regarding our synod's kingdom work. Amen.
